Excerpt...

Last, but not least, the store Pussy & Pooch had an exhibition in its back room of cool animal paintings—like this pug.

But that, it turned out, was not the *piece de resistance*. That turned out to be cuts of fake lawn that you can buy from Petapotty.com, in case you don't have a yard. They can come complete with a hydrant.

Here's a Petapotty in action.

And with that image, I bid you adieu!
