

Dodger & ME

Grand Opening

December 2007

It seems like downtown Los Angeles is changing so fast. New Bars and restaurants are opening up everyday and a few weeks ago downtown welcomed a new pet supply shop. **Pussy and Pooch** on the corner of 5th and Main formally opened its doors with a grand opening bash.

Dodger and Aggie had a great time meeting new friends and trying some gourmet doggie chow. With such new additions downtown is starting to feeling more like a neighborhood.
