ON SET

Adrian Grenier is an animal lover!

Entourage actor [Adrian Grenier](#) was spotted running around Downtown Los Angeles after briefly leaving the set of the popular TV-show. Multi-tasking Grenier walked and caught up on his text messages whilst eating a late lunch from a paper plate. After dumping the remainders of his canteen food in a trash can, Adrian stopped off at the pet store Pussy & Pooch before running back to his trailer to prepare for his next scene!
